

**ELECTRONIC COMPONENTS**

**RELIABLE COMPONENTS.  
TRUSTED SUPPLY.**

A customer-focused distribution partner with 17+ years of industry experience.

# Built around quality, consistency and customer trust

17+ years of experience in trading, supplying and distributing electronic components.

## WHO WE ARE

**Multitek is a quality-driven organisation offering a broad range of electronic components and solutions.**

- 17+ years of industry experience.
- Trading, supply and distribution of electronic components.
- Skilled team focused on accurate and dependable order execution.
- Product coverage designed to support diverse industry requirements.

# Why customers choose Multitek

Practical strengths that make day-to-day sourcing simpler and more dependable.

## QUALITY FOCUS

A quality-driven approach across products, sourcing and order execution.

## PRODUCT BREADTH

A comprehensive component portfolio spanning semiconductors, resistors, capacitors, magnetics and protection.

## INDUSTRY KNOW-HOW

An experienced team with a clear understanding of customer and application requirements.

## RESPONSIVE SERVICE

Customer-focused support with attention to requirements, quantities and delivery execution.

**OUR COMMITMENT** • Deliver quality. Build trust. Support customers for the long term.

## A focused ecosystem of component brands

Selected brands represented across our current portfolio.

**Diotec**

Semiconductors

**HTR**

Resistors

**Holy Stone**

Ceramic capacitors

**TDK**

Magnetics & capacitors

The portfolio shown here is based on the brands and product categories included in the supplied company profile.

# Diodes, Semiconductors

Discrete and power semiconductor products for a wide range of electronic applications.

## PRODUCT RANGE

- Rectifiers
- Bridges
- Diodes
- Transistors
- MOSFETs
- Regulators

Sourcing support across commonly required discrete semiconductor categories.

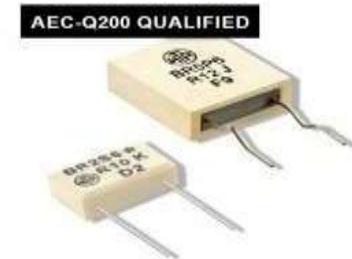

# Resistors

Solutions spanning conventional, precision and application-specific resistor requirements.

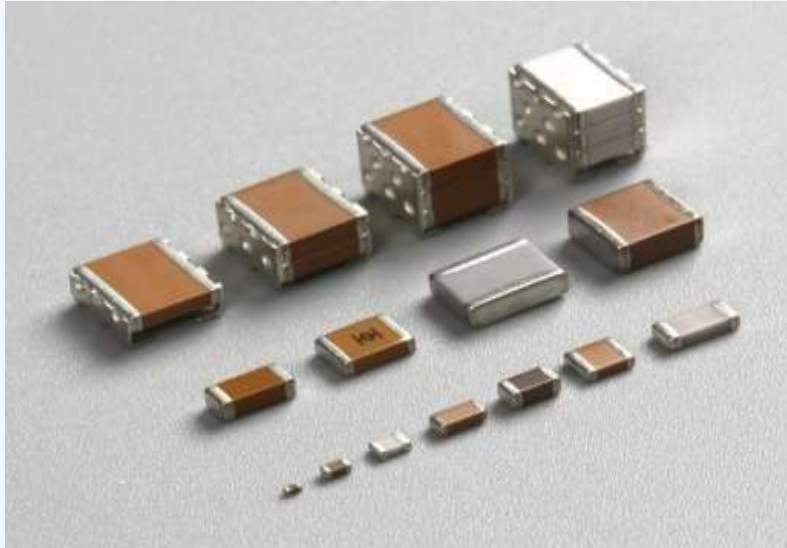

## HTR RESISTOR PORTFOLIO

- Wire Wound Resistors
- Current Sense Resistors
- Surface Mount Resistors
- Shunt Resistors
- Silicon Based Resistors
- Ceramic Resistors
- Customized Resistors for Specialized Applications

# Capacitors & timing devices

Component coverage across ceramic capacitors, MLCCs, semiconductors and timing-related products.

## CERAMIC CAPACITORS

MLCCs & DISCs

## SEMICONDUCTORS

Timing devices and related components

Product imagery is taken from the supplied company profile.

# Ferrite Cores, Capacitors

A complementary range for power, filtering, protection and magnetic applications.

Ferrite Cores

Film Capacitors

Ferrite Components

EPCOS Components

Also covered: Box & DIP type CDI capacitors • X2 filtering capacitors • Surge arrestors • NTCs & PTCs

**WHAT THIS TELLS CUSTOMERS**

Our portfolio supports requirements across industrial, automotive, smart-meter and lighting applications.

# One partner. Multiple component categories.

A concise view of the product coverage presented in this company profile.

## SEMICONDUCTORS

Rectifiers • Bridges • Diodes • Transistors • Triacs • MOSFETs • Regulators

## RESISTORS

Wire wound • Current sense • SMD • Shunt • Silicon based • Ceramic • Customized

## CAPACITORS

Ceramic • MLCCs & DISCs • Film • Box & DIP type CDI • X2 filtering

## MAGNETICS & PROTECTION

Ferrite cores • Surge arrestors • Thermistors • Related protection components

Product availability, specifications and quantities are subject to current stock and commercial terms.
